

THE CLEARVIEW RANGE

# Clearview BiFold

Precision in every panel

SLIM SIGHTLINES / SMOOTH OPERATION

# Why choose Clearview BiFold?

Thoughtful details, practical flexibility and a beautifully slim aluminium system.

**25+** CONFIGURATIONS

Inward/outward opening, corner-sash, cill and threshold options.

## 01 Step-free living

A flush-threshold option helps create an easy transition between rooms and outdoor spaces.

## 02 Premium finish

High-grade aluminium, a wide colour choice and matching hardware for a coherent finish.

## 03 Security by design

Multi-point locking and PAS 24 hardware for considered everyday protection.

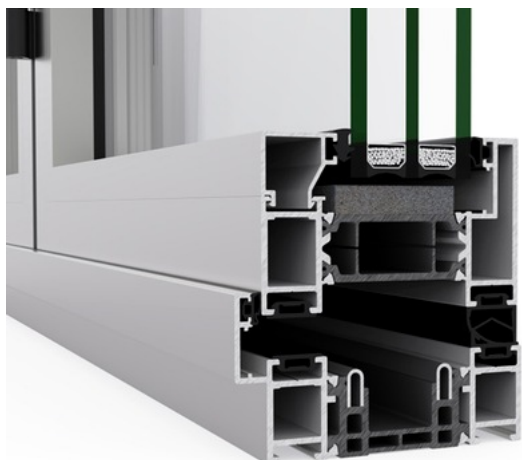

## 04 Installer-friendly

Adjustable jambs and toe-and-heel glazing support accurate fitting and dependable alignment.

# Performance at a glance

A compact system engineered for strength, thermal efficiency and reliable everyday use.

## Engineered details
